

AAYUSH VISHWAKARMA

Web Developer & AI Enthusiast

aayushvish0047@gmail.com | +919834265437 | github.com/aayushvish0047-cpu | LinkedIn: Aayush Vishwakarma

PROFILE

Engineering student passionate about solving real-world problems through code — from live business websites to AI-powered systems. Hands-on experience building and deploying web applications and AI/ML projects, with a strong foundation in programming fundamentals and a drive to collaborate on impactful ideas.

EDUCATION

B.E., Atharva College of Engineering — Mumbai University

Ongoing

Higher Secondary Certificate (HSC) — 86.33%

JEE Mains — 91.1 percentile | MHT-CET — 92.45 percentile

PROJECTS

Legal Compliance AI App (OSCI Platform)

Ongoing

- Built an AI-driven web app that simplifies legal compliance for businesses and individuals using NLP.
- Designed the system to parse, analyze, and flag regulatory requirements, cutting down hours of manual review.
- Stack: Python, NLP, AI/ML, Web App

AI Attendance Tracking System

Ongoing

- Developing an intelligent attendance system powered by real-time face recognition to automate manual attendance processes.
- Focused on reducing human error and delivering a seamless experience for institutions.
- Stack: Python, OpenCV, Face Recognition, Flask

Deshmukh Farm Website

Freelance · Deployed

- Designed and deployed a fully functional business website for a wedding ceremony venue, including a gallery, venue details, and booking inquiries.
- Delivered a real digital presence for a local business, from design through live deployment.
- Stack: HTML/CSS, JavaScript, Responsive Design

SKILLS & TECHNOLOGIES

Programming: Python, C++, SQL

Web Development: HTML, CSS, JavaScript, Responsive Design

AI / Machine Learning: Python, SQL

Core CS: Data Structures, Algorithms, System Fundamentals

BEYOND THE CLASSROOM

- Freelance client work and self-driven deployments alongside coursework.
- Active in fitness (resistance training), badminton, and table tennis — building discipline and focus.
